

MACUMBAH ASHE

Words & Music: SARINE VOLTAGE

MACUMBAH ASHE was *spontaneously created*. A couple of interesting and 5-STAR REVIEWS: "I was up in my chair dancing to this music. This song has a class by itself." (A EURO girl 'critique'). ONE hip chick actually drops to the floor and starts slithering like a snake when this comes on (SWEAR, WE'VE SEEN it LIVE A FEW TIMES).
